25X1B

1. Attached for your consideration is the CODIB Support Staff report on biographics, undertaken pursuant to reference g.

2. This is the last of the nine task team reports initiated by USIB in response to the SCIPS Study. Present CODIB action will only be the most recent of many attempts at the Community level to deal with an area which, theoretically, is one of great promise.

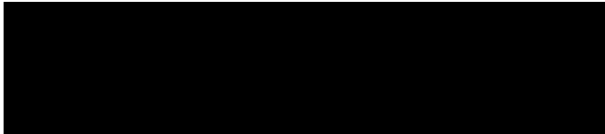

GROUP 1
Excluded from automatic
downgrading and
declassification
